

FELINE HYDRA CARE™

Complementary pet food for adult cats formulated to increase water intake and urine dilution.

RECOMMENDED FOR &
NOT RECOMMENDED FOR

- ✓ Cats who could benefit from additional water intake

The addition of PURINA® PRO PLAN® Hydra Care™ to the cat's diet can help increase water intake. These effects may offer benefits to cats in need of greater water consumption for their overall health.

85 g

KEY
BENEFITS

Shown to increase total water intake and promote hydration*

Help to Increase urine dilution

Great taste

ADDITIONAL BENEFITS
& CHARACTERISTICS

Created to help cats consume on average 28% more liquid every day than water alone* and so help increase urine dilution

Specially formulated to help increase water intake and urine dilution

Shown to help decrease urine specific gravity and osmolality*

The formula will engage cats to happily lick it up due to its great taste

Offers a tasty, soft textured jelly which is served on its own, as an extra third bowl

* Compared to cats consuming only water in addition to dry feeding.
Cats must consume at least 25 ml/kg of bodyweight daily for benefit.

COMPOSITION

Whey protein isolate powder, glycerol, digest, various sugars, potassium chloride.
